

Meet Partable

The AI Visual Aftermarket Spare Parts Search for the Salesforce Platform

Visual Search, Click, and Buy Aftermarket Parts.
It's that easy with Salesforce + Partable.

Why Partable?

AI-Powered Image Search

Upload a photo from your camera or any image, and let AI do the rest.

Serial Number Search

Search by serial number to find the applicable parts for your bill or materials.

Interactive 2D/3D Exploded Views

Instantly identify and select the right parts.

Search & Add Part to Cart

Find and add spare parts to ecommerce cart.

Bill of Materials (BOM) Navigation

Search your BOM hierarchy to quickly identify spare parts.

AI-Powered Data Clean-Up

Use AI to clean and normalize data from disparate sources.

Template-based data prep

Easily organize and upload your product data.

API-Based Data Ingestion

Import data from all your applications.

Smooth Integrations

Easily integrates with your ERP, PLM, PDM, PIM, DAM, and ecommerce systems.

Keep it Safe

Secure user authorization.

By embedding CDS Partable into our ecommerce platform, we've made the replacement part process easier for everyone involved.
